Hi AJ,

VADEQ's CSATM QAPP was assigned the DCN 210251.

I was performing a virtual TSA of VADEQ last week and have to finish up some items from that before I can catch up to things like QAPP reviews, so I probably won't be as timely as I normally am in completing this review.

Good afternoon,

We have received the QAPP for Tidewater Air Monitoring Evaluation Study for review on <today's date>.

Please allow 45 days from the receipt date for completion of the review. If you have any questions concerning the review of this document, please include its assigned document number DCN 210251, and please contact Kia Long at 215-814-2111.

Thank you.
